

Gandhinagar Institute of Technology

A Report on
“NPTEL Awareness Seminar”
28th July 2022

Event Overview:

National Programme on Technology Enhanced Learning (*NPTEL*) is a project of MHRD initiated by seven Indian Institutes of Technology (Bombay, Delhi, Kanpur, Kharagpur, Madras, Guwahati and Roorkee) along with the Indian Institute of Science, Bangalore in 2003, to provide quality education to anyone interested in learning from the IITs. The main goal was to create web and video courses in all major branches of engineering and physical sciences at the undergraduate and postgraduate levels and management courses at the postgraduate level. The “NPTEL awareness Seminar” was organized by Gandhinagar Institute of Technology, Gandhinagar University on 28th July 2022 for all students and faculty members with the grace of GIT management and Dr H N Shah, Director.

Objective:

NPTEL is the largest educational repository in the world and offers Online Courses from the faculties of IITs and IISc at free of cost and open for all. The main objective of this seminar is to create awareness among students and faculties about NPTEL Course enrollment, certification and its importance. The seminar was conducted by Prof. Chintan Barelwala, SPOC, SWAYAM NPTEL of GIT Local Chapter.

Program:

The seminar started at 9:30 AM onwards at the seminar hall along with the students and faculty members of the institute. The seminar has been started with an introductory speech from SPOC of GIT NPTEL local chapter, Prof. Chintan Barelwala. He has initiated his speech with a vision and mission of NPTEL. He has also explained the benefits of NPTEL Course certification for all students and faculties. Around 120 participants including students and faculties from all departments have attended the seminar.

Prof. Chintan Barelwala explained in detail what features and services does NPTEL provides to its course subscribers and benefits to all students as well faculties under the GIT NPTEL Local Chapter. He briefed about NPTEL Online Certification Courses, FDP, Mentoring, Job Oriented Courses. He nicely explained NPTEL new initiatives like NPTEL+, GATE Project, Domain Certification, Digital Skilling, Text Translation, Soft Skill Training, internships. He focuses also

on benefits of the NPTEL stars in terms of opportunities available in soft skill training, internships and careers@NPTEL.

The queries from students & faculties have been answered during Questions & Answers session. In the end, Prof. Chintan Barelwala concluded with vote of thanks to all students, faculties & assisting staff members who directly or indirectly a part of this event to make it successful. He especially thanks the trustee of GIT and Director Dr. H N Shah for continuous support and motivation for such type of events. The seminar was effectively accomplished under the persistent guidance of Dr. H N Shah, Director of the Institute, and consistent efforts of SWAYAM NPTEL Team members (Prof. Chintan Barelwala (NPTEL Coordinator), Prof. Mitul Maniar, Prof. Raxit Jani, Prof. Juhil Kapatel, Prof. Parthiv Patel & Prof. Hitesh Manani).
