

Gandhinagar University
A Report on
Alumni Expert Webinar on “Entrepreneurship and
Innovation as Career Opportunity”
(04th February 2023)

Event Overview:

The webinar on “Entrepreneurship and Innovation as Career Opportunity” was organized on 04th February 2023 at Gandhinagar University by GITAA cell. The webinar was coordinated by Prof. Maulik Sukhadiya. The session was organized for the current students with the prior permission of Dr H N Shah, Director. The webinar was organized to initiate and motivate to educate the participants about the entrepreneur and innovation in different field of products and its various operations for any engineering branches.

Objective:

The main objective behind this GITAA talk is to provide the knowledge about the gap between entrepreneur and innovation as a career opportunity for freshers & professionals in the world before entering. This will be a very informative and helpful session for the students for their career growth.

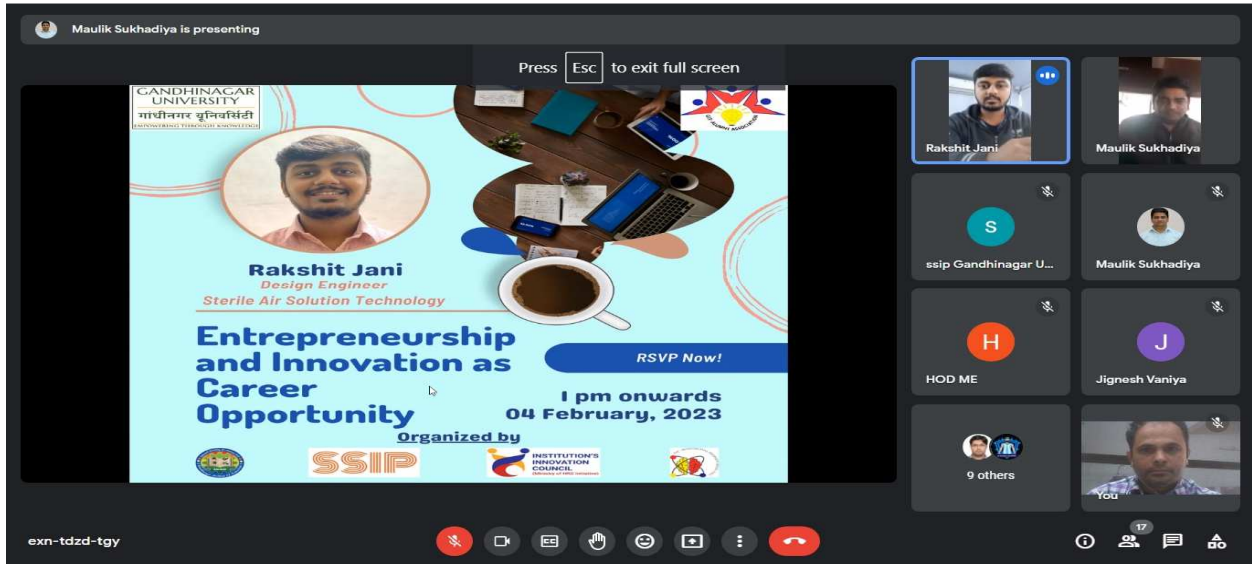

Program Overview:

There were 25 students and faculty members participated in the session. The session was started at 01:00 pm through Google Meet. Prof. Maulik Sukhadiya had initiated the introduction on GITAA. He gave information about the Summary of GITAA (Gandhinagar Institute of Technology Alumni Association) and had introduced the event Expert Mr. Rakshit Jani, who is Successful Alumni of Mechanical Engineering from GIT. Mr. Rakshit Jani has completed his BE-Mechanical Engineering from Gandhinagar Institute of Technology in 2021. After completing his BE. He started his career in Design Engineer at Sterile Air Solution, Ahmedabad. He explained the entrepreneur with the suitable examples, to become an entrepreneur in different field like designing, engineering, manufacturing and marketing. He also explained the innovation with the best examples in ideas, creativities, thought, vision in large way. He was explained the career opportunities in defense, marketing, finance, public sector, engineering, manufacturing etc.

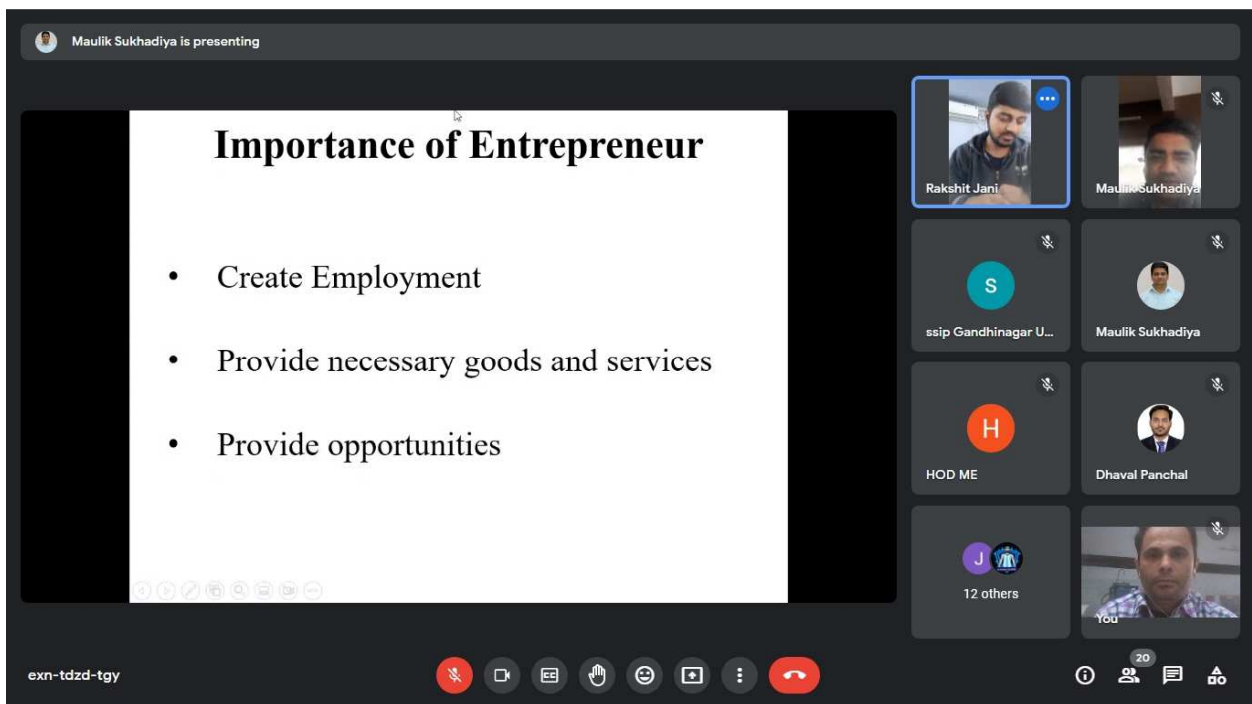

Outcomes of the event:

The Alumni Talk has simplified communications with alumni regarding career opportunities, ability needed for understanding good quality opportunities in entrepreneur field, also enhancing technical skills along with innovation skills.
