

Gandhinagar University
A Report on
Alumni Expert Webinar on
“Motivational Session by Successful Innovators”
(25th February 2023)

Event Overview:

The webinar on “Motivational Session by Successful Innovators” was organized on 25th February 2023 at Gandhinagar University by GITAA cell. The webinar was coordinated by Prof. Hitesh Manani. The session was organized for the current students with the prior permission of Dr H N Shah, Director. The webinar was organized to initiate and motivate to educate the participants about the entrepreneur and innovation in different field of products and its various operations for any engineering branches.

Objective:

The main objective behind this GITAA talk is to provide the knowledge about the gap between entrepreneur and innovation as a career opportunity for fresher & professionals in the world before entering. This will be a very informative and helpful session for the students for their career growth.

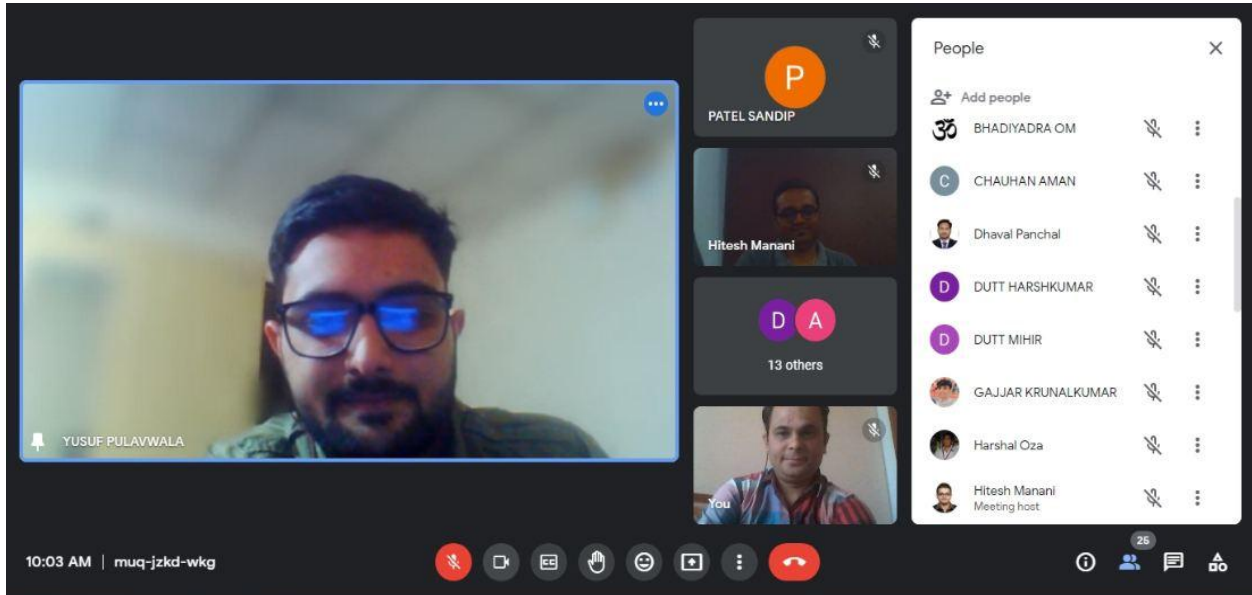

Program Overview:

More than 30 students and faculty members participated in the session. The online session was started at 10:00 am. Prof. Hitesh Manani had initiated the introduction on GITAA. He gave information about the Summary of GITAA (Gandhinagar Institute of Technology Alumni Association) and had introduced the event Expert Mr. Yusuf Pulavwala, who is Successful Alumni of Electrical Engineering from GIT. Mr. Yusuf Pulavwala has completed his BE-Electrical Engineering from Gandhinagar Institute of Technology in 2022. After completing his BE, He started his career in Design Executive at All Automatic Pvt Ltd, Ahmedabad. He explained the innovation with the suitable examples, to become an innovator in different field like designing, engineering, manufacturing and marketing. He also explained the innovation with the best examples in ideas, creativities, thought and vision in large way. He explained the career opportunities in designing, engineering, drawing, software development etc.

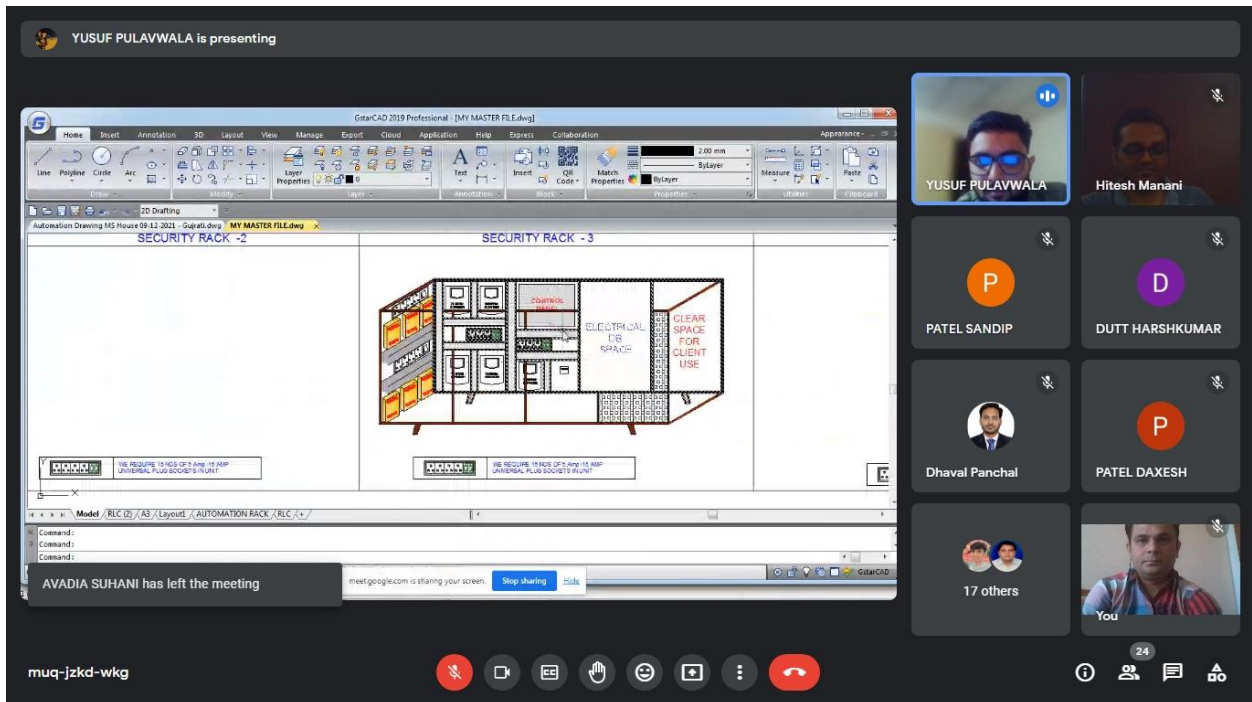

Outcomes of the event:

The Alumni Talk has simplified communications with alumni regarding career opportunities, ability needed for understanding good quality opportunities in innovation field also enhancing technical skills along with technical skills.
