

GANDHINAGAR INSTITUTE OF TECHNOLOGY (GIT)

THE UNIVERSITY YOU CAN TRUST!

Gandhinagar University

The Gandhinagar University established under the Gujarat Private Universities Act, 2009 is, committed to excellence in education with high quality pedagogy and dedicated to promoting the all - faceted development of the students.

Gandhinagar University is empowering young minds by imparting quality education, research, and training. Its special emphasis on a multi-disciplinary and skill-based approach as outlined in the New Education Policy NEP 2020 sets apart as a pioneer in the field of higher education. This is University in its correct perspective, integrated ecosystem of education - by offering programmes under one roof.

Providing more than ten diverse disciplines and ninety course of study along with lush green campus, sports pavilion, modern resource centre is conducive to continuous learning to become all round competent individual for nation building.

Gandhinagar Institute of Technology (GIT)

Gandhinagar Institute of Technology (GIT) affiliated to Gandhinagar University is a nationally renowned Institute of higher education, offering world class education in undergraduate and post graduate program in whole range of Engineering disciplines.

The Institute has been rated as a 4 Star Institute under the GSIRF 2023 (Gujarat State Institutional Ranking Framework).

GIT offers UG and PG courses which are approved by AICTE, New Delhi. It offers Bachelor level technical program (B.Tech.) in Computer Engineering, Information Technology, Mechanical Engineering, Electronics & Communication Engineering, Electrical Engineering, Civil Engineering, Computer Science & Engineering, Information & Communication Technology, Cyber Security and Artificial Intelligence.

It also offers Master level technical program (M. Tech.) in Computer Engineering with specialization in Software Engineering and M. Tech. in Mechanical Engineering with specialization in Thermal Engineering and CAD / CAM.

GIT nurtures its students all faceted growth of its students and serves a link between theory and practice using multidisciplinary education by following New Education Policy (NEP – 2020).

Courses Offered

Bachelor of Technology

- Eligibility** : 10+2 (PCM) or Equivalent from a Recognised Board + GUJCET
- Admissions** : Admissions at Gandhinagar University is done through The Admission Committee for Professional Courses (ACPC)
- Tuition Fees** : Rs. 31,000/- per Semester (FRC approved)
- Duration** : 4 Years

Sanctioned Intake :

- Civil Engineering (60)
- Computer Engineering (240)
- Information Technology (180)
- Mechanical Engineering (90)
- Electrical Engineering (60)
- Electronics & Communication (30)
- Computer Science & Engineering (60)
- Information & Communication Technology (60)
- Cyber Security (60) - (Tuition Fees: Rs. 45,000/- Per Semester)
- Artificial Intelligence (30) - (Tuition Fees: Rs. 45,000/- Per Semester)

Master of Technology

- Eligibility** : B.E./B.Tech. in respective branch or Equivalent from a Recognised Board
- Admissions** : Admissions at Gandhinagar University is done through The Admission Committee for Professional Courses (ACPC)
- Tuition Fees** : Rs. 42,500/- per Semester (FRC approved)
- Duration** : 2 Years

Sanctioned Intake :

- M.Tech. in Mechanical Engineering (Thermal Engineering) (9)
- M.Tech. in Mechanical Engineering (CAD / CAM) (9)
- M.Tech. in Computer Engineering (Software Engineering) (18)

PhD (Technology)

The eligibility for the PhD course, the candidate must have passed a Master's degree with 55%. If required the University may conduct the entrance exam, a group discussion, and an interview.

The PhD registration portal shall be launched at the Gandhinagar University portal. Depending upon the availability of the Supervisors, the admission shall be considered.

Infrastructure

- Lush green and Wi-Fi enabled campus
- Modern and Advance Labs & Workshops
- Regular & Advance Computer Labs
- Transportation Facility
- Tinkering & IOT Labs
- Amphitheatre
- Smart Classrooms
- Digital Resource Centre
- Student's Exhibition & Activity Area
- Sports Arena
- Food Court
- Career Resource Centre: Industry Interaction & Placements and Training
- Hostel facility for Domestic and International Students
